The Knightly News

Volume 2010, Issue 6

June 2010

From The Grand Knight

My Brother Knights,

I am amazed that as of this "Knightly News" one year has passed since the Council elections took place. It also means that the elections are upon us once again. I have decided to run again for Grand Knight, but my wishes would be that I would have to run a campaign against an opponent, one who has a vision as to how the Council could best be served. This would give our brother knights a choice as to where we are going with our programs. I have had so much support from all of the current and past officers and have tried to make my decisions based on what suggestions have been made. One thing

that we have done away with is the "Friday Night Grill." I think that the "Friday Night Grill" is a great idea and I would like to resurrect it in the near future but we need to have the support of the members to make it work. It takes about five people to run each of the "grills" and we need a minimum of four teams so that the same people aren't working every Friday night. If we can get someone to step forward to lead this venture, he would have the support of many in the Council. What is most needed to make it successful is the willingness of the members to bring their families in to eat at least once a month. What a great way to bring the

Grand Knight Jim Heffernan

members together with their families.

If you haven't been by the Council lately, then you haven't seen the work that has been done to improve the building and grounds. You can take pride in your Council's appearance thanks to the work of our brother, Louie Kovacs, III. Louie has done so much to

help here at Council 1166 that if I start listing all he has done, I might forget some of what he has accomplished. I do want to thank him for the beautiful garden he has planted in front of the Council and the painting of the entire building. These are just two of many things he has delivered to make our Council "shine." Thank you Brother Louie, what a difference you have made. The elections will be held at the monthly business meeting on June 1st. Please come out and support those who will be running for office. If you have someone in mind to run for an office, come and nominate them from the floor. I hope to see you then.

Easy To Put Off

Buying life insurance is something that's easy to put off until tomorrow. And with the busy lives we all lead, tomorrow can easily become next week, next month, or even next year. For the sake of those you love, don't let that happen. I consider it my fraternal obligation to make sure that every Knights of Columbus member has the opportunity to protect his family with the Order's top-rated insurance products. I'll work with you to put a plan in place that will help your family when that help is most needed.

We all know someone whose health, instantly and seemingly out-of-the-blue, changes. You

may think this can't happen to you. Think again. And keep in mind that no one will ring a bell warning you that your health is about to change. Medical technology has turned many diseases previously termed "death sentences" into very treatable conditions. What medical advances haven't changed, however, is that being diagnosed with one of these diseases will dramatically affect your ability to purchase life insurance coverage. Don't wait until it's too late.

Your Knights of Columbus insurance program is second to none. Knights of Columbus life insurance represents a safety net

for Catholic families that's unsurpassed, and I'm proud of that. I'm also concerned. Why? Because so many of our brother Knights have no life insurance with the Order. I suspect that, for many of them, tomorrow has become next week, next month or next year. Don't be one of them. Don't wait for the bell to ring. It isn't going to.

I'm available by phone at (812) 606-0444 or by email at gerald.hatcher@kofc.org. Call me. Let's talk.

On June 1, 2008, Pope Benedict XVI urged Catholics everywhere to renew their devotion to the Sacred Heart during the month of June. In the Act of Consecration to the Sacred Heart, we unite ourselves fully to the Heart of Christ, asking Him to purify our wills so that everything we do may be in line with His Will—and, if we fall, that His Love and Mercy may shield us from the righteous judgment of God the Father.

Act of Consecration to the Sacred Heart

I, [state your name], give myself and consecrate to the Sacred Heart of our Lord Jesus Christ my person and my life, my actions, pains, and sufferings, so that I may be unwilling to make use of any part of my being save to honor, love, and glorify the Sacred Heart. This is my unchanging purpose, namely, to be all His, and to do all things for the love of Him, at the same time renouncing with all my heart whatever is displeasing to Him. I therefore take Thee, O Sacred Heart, to be the only object of my love, the guardian of my life, my assurance of salvation, the remedy of my weakness and inconstancy, the atonement for all the faults of my life, and my sure refuge at the hour of death. Be then, O Heart of goodness, my justification before God Thy Father, and turn away from me the strokes of His righteous anger. O Heart of love, I put all my confidence in Thee for I fear everything from my own wickedness and frailty, but I hope for all things from Thy goodness and bounty. Do Thou consume in me all that can displease Thee or resist Thy holy will; let Thy pure love imprint Thee so deeply upon my heart, that I shall nevermore be able to forget Thee or to be separated from Thee; may I obtain from all Thy loving kindness the grace of having my name written in Thee, for in Thee I desire to place all my happiness and all my glory, living and dying in very bondage to Thee. Amen.
