JULY 2018

From the Grand Knight

Brother Knights

It has been a year since I took over as Grand Knight and I hope you think I have done a good enough job for the position I was elected to. It has been a challenge to wrap my hands around the position. To be honest it took until December's meeting before I felt comfortable in leading the council's meeting, even after being at all the meetings before I became Grand Knight. There are a lot of things that go on behind the scenes that I didn't know about and I'm still learning. I will have to say overall I have really enjoyed the experience so far. The people I get to work with are top notch and the activities we do make a difference.

After having experienced all the things we do for the community, the church, and each other I highly encourage each member to get more active in the council. If you have just a couple of hours to give a month we can use you. We always have things that can be helped out on. Be it bingo, helping in taking care of the facility, volunteering for tootsie roll drive or helping with the coats for kids. The one I like is the family nights, on Friday nights where we can relax and socialize. Remember this is your council and what you do is what you will get out of it.

This is one place members can help out is I'm going to have another clean up night starting at 6:00 PM on July 10th. I'm going to concentrate on the floors in the kitchen. We also have other things in the meeting room and storage area that needs to be cleaned up. If you have a little time come on down and help.

We will be manning the Knights of Columbus booth at the Lawrence county fair in July. Here is another place where you can make a difference. If you have done it before I hope you will do it again. If you haven't please stand up and volunteer. See page 2 for more detail.

We had elections at the last meeting for the officers for both 3rd and 4th degree. The officer chairs have not changed much. You can check out the results on page 2.

I hope this all made sense because I just gave blood at our blood drive and I'm a pint short. See page 2 for more information on that. Thanks to everyone for everything you do.

Vivat Jesus,

Kevin Steber GK

Blood Drive Result

Many thanks to Tracy Garfola, Jeff Ikerd, Greg Stanley, Kevin Steber and Russell Webb who assisted with the Red Cross blood drive hosted by Council 1166 on the 21st of June. In all, 42 units of blood were collected - making for a very successful event. Whether you set out posters, setup tables and chairs, or worked the sign-in table on the day of the drive, or gave blood, please know that your efforts were much appreciated.
