From the Grand Knight

Greetings Brother Knights,

Well, another summer has come and gone, and the good Lord blessed us with a fairly mild one at that. School started early this year, so be alert for kids and buses.

The Knights of Columbus 2014 Tootsie Roll Drive will be held on September 5th and 6th. Once again, Greg Stanley is the chairman for this event. Greg does an outstanding job of organizing and facilitating this much needed community service of helping citizens with intellectual and developmental disabilities, but he cannot do it alone. This is a great way to help the community and your council through CHARITY, FRATERNITY, and UNITY--all core values. Speaking of charity, in the August 15th issue of "The Criterion", Supreme Knight Carl A. Anderson spoke of charity and the Knights of Columbus at the 132nd Supreme Convention in Orlando. He said, "Charity has been at the heart of the Knight's mission for the past 132 years. Whether with funds or service, and whether quietly helping someone overcome a personal tragedy or assisting in the aftermath of a widely known humanitarian disaster, the outpouring of charity by our members produces meaningful results, especially by helping to bring peace of mind to those who find themselves in incredibly difficult situations." The article also states that the Knights of Columbus organization reported an all-time record for charitable giving---more than \$170 million and more than 70.5million hours of service to charitable causes in the United States and elsewhere the Knights are active.

Grand Knight Paul Stiles

That's very impressive. Brother Knights, charity is what we do, and we do it very well. There are many ways for you to get involved in council activities, such as bingo, Tootsie Roll Drive, Coats for Kids, Habitat for Humanity, and more. Now is the time to be a beacon of hope for the less fortunate and those in need. Let your light shine and volunteer today.

We will be feeding the BNL football team on Thursday, September 11th. Volunteers are needed to help with the food service and clean-up. This is a good opportunity to provide a service to the community. It's a lot of fun, and quite a sight to see.

The Gibault Envoy Conference will be held on September 20th in Terre Haute. This is designed to give a first hand look at what Gibault's mission is to provide life-changing opportunities for children, adults, families and communities. If you've never been to Gibault, this is a perfect chance to see what they do.

We are still in need of a Youth activities director and a Family program director. If you need more information on either of these very rewarding positions please contact me at (812) 279-4381. God's blessings to you all and your families, and don't forget those random acts of kindness.

God Bless America, God Bless the Knights, Vivat Jesus. ~Paul Stiles, GK

Our Lady of Sorrows

By tradition, the Catholic Church dedicates the month of September to Our Lady of Sorrows. The Memorial of Our Lady of Sorrows takes place on September 15, the day after the Feast of the Exaltation of the Holy Cross. We remember the suffering of Mary as she stood at the foot of the Cross and witnessed the torture and death of her Son. These feast days should remind us of Simeon's words to Mary (Luke 2:34-35) at the Presentation of the Lord—that a sword would pierce her soul. In the prayer attached to the Mother of Sorrows, we recognize that we rarely experience joy without first enduring adversity. We ask Mary, who experienced great sorrow in her own life, to pray for us, so that, in the midst of our trials and tribulations, we may look forward to the joy that comes from remaining faithful witnesses to Christ.

- *Deacon Dave Reising*

Most holy Virgin and Mother, whose soul was pierced by a sword of sorrow in the Passion of thy divine Son, and who in His glorious Resurrection was filled with never-ending joy at His triumph; obtain for us who call upon thee, so to be partakers in the adversities of Holy Church and the sorrows of the Sovereign Pontiff, as to be found worthy to rejoice with them in the consolation for which we pray, in the charity and peace of the same Christ our Lord. Amen.

From Your Faithful Navigator

Our Assembly 1921 enjoyed a great time on fellowship and tasty pizza from the outdoor pizza oven and the Brenner's. Rose did all the important work of preparing the dough, baking the pies and coordinating the cooking. Bill merely put the pizzas (personally prepared by each person) in the oven until done. All enjoyed a good time. Since this was one of our social events, the ladies were also invited and enjoyed the evening.

The 200th anniversary of the 4th Degree in Indiana will be celebrated at the Abraham Lincoln Assembly in Merriville 13 & 14 September. Two members of the Supreme Council will be in attendance. Please let Bill Brenner know if you are interested. This would be a great occasion to bring in new candidates to our Assembly.

Lastly, we have been invited by Monica Seifker to participate in the 40 Days For Life 24 September - 2 November at the Bloomington Planned Parenthood on College. This is open to all K of C members as well as non-members. Please contact me to volunteer. May God Bless You, Vivat Jesus!

Long Term Care - For the Unexpected

Record numbers of people are living well into their 80s, 90s... and even past the age of 100. That translates into more time to do the things you want to do, to spend time with the people you love. It also poses new challenges.

In aging, you change in some familiar ways — and some ways that might be completely unexpected. In your 60s and 70s, tasks and activities that you once performed routinely or with ease might become increasingly difficult. And, over time, you may need more and more assistance with such activities. You might also experience a sudden, acute need for such help after a debilitating illness — such as a stroke.

Everyone is potentially at risk. Statistics from 2011 show that about 70 percent of individuals over age 65 will require at least some type of long-term care services during their lifetime. As you get older, the risk increases. Women are at a higher risk than men, typically because they tend to live longer. On average, someone age 65 today will need some long-term care services for three years.² On average, private nursing home care can cost upwards of \$79,935 per year.³

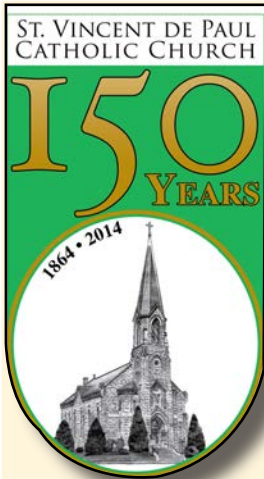

You may be able to manage with at-home nursing care, but this option can also be quite expensive: such services can cost more than \$60,000 per year in the U.S. for eight hours of service, 365 days a year. By 2020, an estimated 12 million Americans will need long-term care services. Forty percent of those receiving long-term care services are adults between the ages of 18 and 64.⁴
